MEMORANDUM FOR: Director of Personnel

VIA: Deputy Director (Plans) *mt*

SUBJECT: Promotions of Personnel Imprisoned in Communist China

1. This division has reviewed the question of promoting [redacted] staff personnel presently imprisoned in Communist China. Included in this review was a comparison of these individuals with others possessing similar known factors, i. e., age, education, experience, and use by the agency. In addition, we have considered the placement of these individuals at certain grade levels within the FE career service program.

2. This matter was also discussed at a meeting of the committee on CIA-connected Americans imprisoned in China, on 11 December 1957, with representatives of Security, TSS, Personnel, and FE in attendance. The committee agreed that promotions at certain specified grade levels be sought.

3. As a result of our review and the opinions expressed by the committee, the following recommendations are submitted.

25X1

a. [redacted]

b. That Richard G. Fecteau be promoted to the third step, GS-11.

c. That John T. Downey be promoted to the fourth step, GS-11. The fact that this level is beyond that recommended for Fecteau will compensate for Downey's longer period of service and will maintain the present step difference in their salaries.

d. That these promotions be effected in a graduated retroactive manner and so documented in official personnel folders.
